SUPPORT THE HCMS MUSIC DEPARTMENT!

The Harper's Choice Music Department is offering an opportunity for parents and friends in the community to support the Harper's Choice Music Boosters. We are an organization committed to supporting the school's music programs, enriching the lives of participating students and bringing music enjoyment to the community. Some of HCMBF's goals include purchasing new instruments and maintaining existing ones, building the music library, and funding other resource needs of the department. We also provide financial assistance for instrument rental and festival attendance for those in need.

Fundraising is necessary to help meet HCMBF's goals. We have established a Note Club that offers a variety of levels to choose from when making donations. Families and businesses that contribute will have their name or ad published in the Music Department's Winter and Spring Concert programs.

We thank you in advance for supporting a vital program that brings the joy of music to our students and our community. These programs cannot exist without your generous contributions.

Please detach and return bottom portion. Contributions are tax deductible.

I would like to be a:

____ Friend (any contribution under \$25)

____ Quarter Note Member (\$25)

____ Half Note Member (\$50)

____ Dotted Half Note Member (\$75)

____ Whole Note Member (\$100)

____ Gift Contribution
 (\$5 for each music program
 your child participates in)

Please consider making a Gift Contribution. This allows us to thank Mrs. Brisco, Mrs. McKay and Ms. Miranda at the Spring Concert
